University of Oklahoma's Athletic Department statement on 2009 Schedule

"Working in concert with our coach, Bob Stoops, we are pleased with the quality of our non-conference schedule and feel fortunate to adhere to our core scheduling philosophy in preparing our team for a rigorous conference slate," said OU Vice President for Intercollegiate Athletics and Athletics Director Joe Castiglione.

"It took a considerable amount of cooperation between Oklahoma and Miami to maintain that game, but the two schools were able to work together to keep it on the schedule," he added.
